Dear Sir/Madam,

RE: APPLICATION FOR A POSITION AS AN ORTHOPEDIC TRAUMA TECHNICIAN

I am writing to express my interest in gaining further experience as an Orthopedic Trauma Technician at Embu Level 5 Hospital. Having recently completed my studies at KMTC Kangundo campus and currently awaiting my results, I am eager to apply and expand my knowledge and skills in a practical setting.

During my three-month attachment at your esteemed hospital, I had the opportunity to work closely with your orthopedic trauma team. This experience was invaluable, allowing me to apply the theoretical knowledge I acquired during my studies in a real-world setting. I was able to assist with various procedures, manage patient care, and learn from the experienced professionals at your facility.

The attachment period not only reinforced my passion for orthopedic trauma care but also highlighted the areas where I am keen to develop further. I am confident that with the guidance of your skilled team, I can continue to grow and contribute effectively to patient care.

I am highly motivated, eager to learn, and dedicated to providing the best possible care to patients. I believe that my background and the hands-on experience I gained during my attachment make me a suitable candidate for this position. I am excited about the possibility of rejoining your team and further honing my skills as an Orthopedic Trauma Technician.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm can contribute to the exceptional care at Embu Level 5 Hospital. Please feel free to contact me at your earliest convenience.

Yours faithfully,

Pauline Wakio Mbogo
